Ken Bennett

President of the Senate  
Arizona State Senate

Dear Ken Bennett

APS is asking for a 20% increase for energy costs. Why?

There is no reason for this. The cost of energy is going down (barrell of crude oil, natural gas) There is no shortage. There is no reason for this at all.

Ken get on the Energy Commission's ass and make them refuse this increase.

I am against this increase and I don't like what they are trying to do.

Sincerely,  
Marty Corbett
